REMARKS

Applicants note the indication of allowable subject matter of claims 5 and 7. To this end, claim 1 has been amended to incorporate the allowable subject matter of claims 4 and 5, and new claim 51 combines the subject matter of claims 1, 6 and 7.

Claim 15 has been amended to overcome the rejection under 35 U.S.C. §112, first paragraph, as failing to comply with the written description requirement. Withdrawal of the rejection is in order.

Claim 22 has been properly identified as being "Previously presented".

Previously withdrawn claims 23-47, 49 and 50 are cancelled with the right to file a divisional application thereon being retained. Claims 4 and 5 are cancelled because the subject matter thereof is now included in claim 1.

The rejections of claims 1-4, 6, 8, 22 and 48 are moot since all claims except new claim 51 now depend on claim 1, which has been amended so it includes subject matter indicated to be allowable.

In view of the foregoing amendments and remarks, favorable reconsideration and allowance are in order since all claims have been indicated as containing allowable subject matter.

The Examiner is invited to telephone the undersigned, Applicant's attorney of record, to facilitate advancement of the present application.
